

## **College of Education Scholarship Information Sheet**

Below is important information regarding the scholarship application, selection of scholarship recipients, and availability of scholarship funds:

1. Applicants must submit **this Information Sheet and the Scholarship Application** by the deadline noted on the application form. Late applications will not be accepted. Electronic or faxed applications will not be accepted.
2. This Information Sheet and the Scholarship Application must be submitted for EACH scholarship for which you apply.
3. Each scholarship has criteria that applicants must meet. Carefully read the criteria and apply only for the scholarship(s) for which you qualify. Also note that you may apply for all scholarships for which you qualify.
4. If you are a graduate student, be sure to indicate your degree program (e.g., Masters, Specialists, Doctorate, Certification). Note that many scholarships are not available for Doctoral or Certification students. Read the criteria.
5. The actual amount of the scholarship is determined by the availability of funds. Some scholarships may not be awarded if there are no funds available.
6. Scholarship monies are available AFTER the beginning of the semester for which the funds are allocated. Summer semester monies are available after July 1 (usually late in July).
7. Actual letters from references are not necessary. However, full contact information is required on the application form.
8. On the application form, please note the following:
  - a. Birth Town: the location in which you were born/grew up
  - b. Academic Program and Concentration: Be specific and list both. For example, your program might be Counseling & Educational Psychology and your concentration might be School Counseling.
9. Scholarship recipients will be notified that they have been awarded scholarship monies just prior to the College of Education Convocation (in April). Do not call, email, or fax requesting information about the awarding of the scholarships or your status in the selection process.
