MAYMESTER

PARTICIPATE IN PROFESSIONAL AND LEADERSHIP EVENTS BOTH FALL AND SPRING SEMESTERS

Each semester will include at least two Feature Friday Professional Workshops that will encompass hands-on activities and topics such as:

- Career planning
- Team facilitation
- Personal Pitch Delivery
- Self-assessment
- Networking Opportunities
- Presenting to an Executive Audience
- Communication techniques
- Learning about the Future of Work

ATTEND AT LEAST ONE PROFESSIONAL INDUSTRY EVENT

Each student will work to cultivate a career path that will include creating a professional development plan tailored to meet their goals. As part of their professional development plan, each student will attend at least one professional industry event on their own both Fall and Spring semesters. With each event, the student will work to digitally promote themselves and to polish their networking skills.

ENROLL IN MNGT 6675 WORK PRACTICUM

MNGT 6675 Work Practicum is offered in the Maymester, and it provides the students with multiple opportunities that can be focused to meet their career goals and help them develop their business knowledge and skills.

- **Option 1:** Up to 10 students can work in a global virtual team to complete a real world strategic business project. The students work together virtually for the first week and then travel to complete the project face to face and present to the organization. You will live and work for up to two weeks in Münster, Germany. This option includes a weekend on your own in Europe and a professional development opportunity at the SAP Leonard Center in Paris.
- **Option 2:** Complete a project for local organization. Students will work together in a team to complete a strategic project for a local organization and will present their work to the organization.
- **Option 3:** Work as an intern locally. We will assist you in finding an internship that meets your career and professional goals.
