Notes:

- The Online Teaching Endorsement is a program approved by the Georgia Professional Standards Commission (GaPSC) with the purpose of preparing students to teach classes in an online environment (Rule 505-3-.95).
- According to the GaPSC, "To be eligible for the professional Online Teaching Endorsement, the applicant must hold a level four (4) or higher renewable professional certificate or permit in any teaching field" (Rule 505-2-.172).
- The Online Teaching Endorsement is designed for students who hold a current clear, renewable teaching certificate at level 4 or higher, in accordance with the requirements of the Georgia Professional Standards Commission. (Students not working in K-12 who desire a credential to demonstrate their online design and facilitation competencies should consider the Online Teaching Certificate instead).
- The Online Teaching Endorsement and the Online Teaching Certificate courses include prerequisite and corequisite requirements.
- The course MEDT 7491 is not offered in summer semesters.
- Students must maintain a "B" average throughout the program. Students who earn a grade of "C" in a course, must earn a grade of "A" in another course to compensate for the "C" grade. A grade of "C" in a second course will result in suspension from the program.
- Upon acceptance into the program, you are directed to carefully read the [Orientation Guide](#) and set up your Program Sheet (this document). You should maintain and update your program sheet regularly, and ask your academic advisors for input as needed. While it is your responsibility to know what classes to take, your academic advisor is here to help. Email them as needed with questions or concerns, and attach an up-to-date copy of your program sheet.
- Update:**
 - Prerequisite for MEDT 7492: MEDT 7472 (Apr. 12, 2022)
