

Dear International Students,

Please be reminded of these opportunities for the week of April 1, 2019.

1. TAX DEADLINE REMINDER: April 15, 2019 – In 13 Days!

This does not apply to anyone who arrived in the U.S. for the first time in 2019. All others have a tax reporting requirement. There are 2 basic situations.

- I. **Income in 2018?** = Complete a full 2018 tax return.
- II. **No Income in 2018?** = Complete form 8843 only.

You may use free Sprintax for either situation. It is designed to complete the proper non-resident tax forms, including form 8843. You can also [print form 8843](#) without using Sprintax.

Keep a copy and mail a copy to the IRS on your own.

What happens if I do nothing?

Failure to file the proper tax form could negatively affect future visa applications or renewals. If you owe taxes, you could be charged penalties and fees for back taxes. If you are owed a refund, you won't get it : (
