

**Facilities and Services**  
**A Standing Committee of the UWG Faculty Senate**  
**Meeting: December 12, 2014, 2:00 p.m.**  
**Room 12, Anthropology Building**  
**Minutes**

1. Call to order (Ben Steere, Chair). The meeting was convened at. Present: Seay, Steere, Hildebrandt, Olivieri, and Smallwood.
2. The minutes from the meeting of September 30, 2014 were approved by a unanimous voice vote.
3. Presentation on plans for renewal of Back Campus Drive (Brendan Bowen). Brendan Bowen presented plans for changes to Back Campus Drive that will reduce parking but make the area safer, sustainable, and support multimodal transportation. The plans can be found on the Facilities website. Highlights include replacing the road surface with a textured surface and leaving a one-way driving lane with swipe card access. Future plans include additional landscaping for shade, new accessibility ramps for the library, and new lighting. We will lose approximately 12 parking places, but parking places have been added near the Oaks building.  
  
The faculty commented that students currently use the area for drop offs, leading to congestion. The swipe card gate should address this problem.
4. Extraneous furniture in TLC classrooms (Ben Steere on behalf of Molly McCullers). In an e-mail exchange, Dr. McCullers expressed concern about the occasional presence of extra furniture in TLC classrooms. The committee discussed the issue and suggested discussing it with Annette Pritchard and in our departments.
5. Adjournment. The meeting was adjourned at 2:45 p.m.
