

Educate • Empower • Inspire

What?

What UREC does

Educate. Empower. Inspire.

Why?

Why UREC does what it does

To positively impact professional development, operational success, program success, and student employee development.

How?

How UREC does what it does

Through professionalism, service, teamwork, risk management, and wellness.

Mission Statement

University Recreation educates, empowers, and inspires the university community by providing comprehensive, high quality, student-focused programs, facilities, and services that positively impact professional development, operational success, program success, and student employee development through a culture that values professionalism, service, teamwork, risk management, and wellness.
